Groundwork: God Gives Israel a King - We want a lot of things in life. Some of those are good for us; some aren't. Some align with God's will for us, and some don't. Join Groundwork as we study 1 Samuel 8:1-10:24 to see what happens when God grants Israel's request for a king and discover how God is faithful, working behind the scenes even when his people make choices that don't align with his will. Listen now at GroundworkOnline.com and subscribe to Groundwork's weekly emails for future episodes.
